On the main level you will find a private office or den (can also be used for a future bedroom!) with in close proximity tp a private powder room. A laundry room and additional powder room complete the main level for everyday comfort and convenience.

Upstairs, the spacious primary suite serves as a relaxing retreat with an enormous walk-in closet and a luxurious soaking tub. The owner's bath features dual vanities, a jetted soaking tub, and a separate, stand-up shower with ceramic tile and a frameless glass enclosure. Three additional large bedrooms (one has the potential for use as a second primary suite!) and a full hall bath complete the upper level.

The fully finished walkout lower level is a showpiece all its own - featuring an oversized custom bar, luxury vinyl plank flooring, a full 3-piece bathroom, and a large recreation room perfect for gatherings or game nights. Step right outside from the walkout basement and follow the stone path leading to a beautifully landscaped and hardscaped seating area, framed by retaining walls, river rock beds and rose bushes. Beyond the rock border lies a level, grassy yard backing to woods, offering the ideal balance of open play space, wooded privacy and ease of maintenance.
