Residential on 0.64 Acres

BEULAH LAND, North East, MD

Affordable country living can be yours! Great opportunity to own this very spacious bi-level with 2.5 car garage on a beautiful fenced level lot! The garage is a dream for those who love their toys or desire a workshop. It is surprisingly huge and has an epoxy floor. Upper level features great room with a brick fireplace, bay window, and a vaulted ceiling that connects to the kitchen. Kitchen was updated in 2018 and is loaded with cabinetry and natural light. French door to the back deck overlooks the massive backyard, patio, firepit and pool. A large family room is located on the lower level and features a stacked stone section that originally housed a woodstove. All Three of the full bathrooms were remodeled in 2018 and are large. The main floor primary suite connects to the 4th bedroom through the closet. The previous owner used that bedroom as a closet, but it easily could become the 4th bedroom by closing off the closet entrance. Located on a single cul-de-sac street, this is an ideal location for years of quiet enjoyment!
