Step through the front door into a home where thoughtful upgrades meet timeless comfort.

Gleaming refinished hardwood floors lead you through the main level, where formal living and dining rooms flow into a spacious family room made cozy by a high-efficiency pellet stove. The adjacent front office features a decorative fireplace for added charm.

At the heart of the home, the gourmet eat-in kitchen offers generous counter space, quality appliances, and access to the re-stained deck (2023)â€”perfect for gatherings by the pool.

The backyard is your own private retreat, with a saltwater pool featuring a new liner, pump, generator, and cover (2020â€”2024), plus a dedicated outdoor half bath for added convenience. A fenced vegetable garden (2022) and a small pondâ€”currently home to beloved goldfishâ€”complete the peaceful setting.

Upstairs, youâ€™ll find four spacious bedrooms and three full baths, including a stunning primary suite with hardwood floors, walk-in closets, and a spa-like bath remodeled (2024) with heated marble floors, a heated towel rack, and a marble walk-in shower.

A walk-up attic offers a true bonus third levelâ€”perfect for future expansion or flexible use. The fully renovated basement (2024)
